Notes:

*Wednesday 8:00 - 8:50 am: **Psychology SIG Roundtable and Annual Meeting** – Alan Gaynor will be our guest speaker. His discussion will primarily be on modeling "soft variables" and not on the specific content of his paper, which will serve only as background material. If possible, please review a summary of his material before our meeting. It was uploaded as supplementary material for the meeting.

Thursday 13:00 – 14:30 pm, 15:00 to 16:30 pm: **Modeling Psychological and Sociological Dynamics– If possible download the supplementary material before the workshop. Any last minute updates will be made on or before July 16.
