

Canadian Chapter

This is the Canadian Chapter's first International conference!

- **Chapter goal: Increase the awareness and use of System Dynamics in Canada**
- Additional goals:
 - Support school and university system dynamics clubs and programs
 - Recruit members for the International SDS
 - Collaborate across the country

Canada Chapter Roundtable and Annual Meeting, Ballroom A, 12:15 Tuesday

Our meeting time slot will include:

- a business/strategy meeting for the Canadian chapter
- sharing of system dynamics work by members of the chapter
