

On the anniversary of 'Industrial Dynamics'

David C Lane – Henley Business School, England

This paper records and reflects on the anniversary of the publication of Forrester's *Industrial Dynamics*, a founding text of the field of system dynamics modelling.

A journal article developed from this talk will be published as:

Lane, D. C. 2022. Fons et origo: Reflections on the 60th anniversary of 'Industrial Dynamics'. *System Dynamics Review* **38**(3): To appear.
