

Conference Scholarship Committee
Report to the 2009 Winter Meeting of the Policy Council
Submitted by Bob Eberlein, January 4, 2008

Availability

As we have done for several years there will be 10 conference scholarships available. These will include a waiver of the registration fee and a shared hotel room for the 4 main conference nights. The hotel rooms have been generously donated by the host hotel.

Unlike previous years we will strictly limit scholarships to people with accepted papers. We will also consider papers submitted only for the PhD colloquium, rejected papers and papers submitted for scholarship review but not the conference. The intent is not to exclude worthy recipients who, for whatever reason, do not have a paper at the conference.

For 2009 only there is also a K-12 scholarship available to cover the conference registration fee. This is being supported from a special \$3778 fund collected by selling memorabilia at the 2007 conference in Boston. It will be adjudicated externally probably by the Creative Learning Exchange. If successful, we can look into finding funding for future conferences.
