Preliminary information from hotels is below. More research needs to be done to compare overall offers.

From the Seaport Hotel, Boston

Thanks for your patience, the best rate I can offer for July 9 -15, 2011 would be \$179.00 single/double. Please let me know if I should hold space. I really want to work with you again!

From the Hyatt Regency Cambridge Overlooking Boston

Here are the best rates for sleeping rooms we can offer:

07/02/ 2011- 07/10/ 2011 \$142

07/28/2011 - 08/05/2011 \$175

07/21/2011 - 07/29/2011 \$185

As we have discussed, the F&B minimum without alcohol is \$35,000. If one of the above dates and rates will work, please let me know and I will put together a more detailed proposal for your review. Above proposed rates are quoted much lower than our current year rates over the same dates. These rates are good until the end of February.

From the Boston Long Wharf Hotel and the Cambridge Marriott.

Unfortunately, I am not going to be close to your rooms budget for July 2011. Our rates are going to be in the mid-200's for the Summer months. Even our suburban hotels will be in the high 100's. If you were to perhaps consider January I could probably get you in the lower \$100's for our suburban hotels.
