

REPORT ON PREPARATIONS FOR THE

July 22-26, 2012

2012 International System Dynamics Conference in St. Gallen, Switzerland

2011 WINTER PC MEETING February 14, 2011

By the 2012 Conference Team

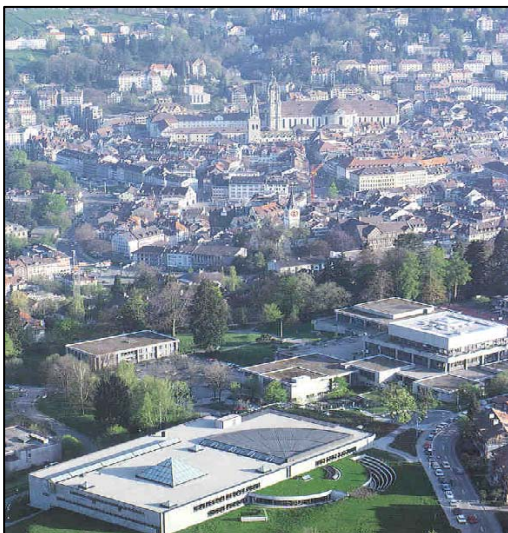

PRECONFERENCE PLANNING: The International System Dynamics Conference 2012 will take place at the University of St. Gallen, Switzerland. Markus Schwaninger is Conference Chair; Elke Husemann and David Lane are the Program Co-chairs; Stefan Groesser is the Organizational Chair; Roberta Spencer is the Conference Manager. Preparations are in full swing: In September, Roberta Spencer visited St. Gallen and toured the primary facilities, including the University of St. Gallen, World Cultural Heritage, hotels, and touristic sites. A provisional budget has been created. Sites for both the scientific and the social programs have been chosen and reserved. Currently both the home office and the team in St. Gallen are working to acquire sponsors.

ACCOMMODATION: A choice of nearly 20 hotels will be available, ranging from modest accommodations to 4-stars+ hotels. Rates vary from 77 CHF to 250 CHF per person. (parity is approximately 1:1 currently.) Breakfast is always included.

Please find below a map as well as photos of the conference venue and the surrounding area.

*** every 30 minutes direct connection from the airport Zurich to St. Gallen**
