Your assessment of the closing year

Please elaborate concerning any particular development that may be relevant for the Society.

Edward Anderson and Ignacio J. Martinez-Moyano are guest editors of a special issue of the System dynamics Review on “Modeling and Simulation of Terrorism and Insurgency Movements: Methods, Data, and Associated Challenges”

The coming year

Challenges

What are the opportunities the SIG plans to take, or challenges you plan to approach during the coming year?

- Increase membership
- Increase number of SIG-related activities
- Increase communication and collaboration among members of the SIG and with other SIGs and other relevant institutions.

Planned activities

Which activities (like workshops, courses or seminars) does the SIG plan to perform during the coming year?

The SIG has convened a Roundtable during the International Conference in St. Gallen. In this roundtable we plan to delineate an activity plan for the remainder of the year and for 2013.

Support required

What would you ask the Society to do to help the SIG?
