

Annual Special Interest Group (SIG) Report

The SIG

<i>SIG:</i>	Environmental
<i>Year:</i>	2011-2012
<i>Officers</i>	
President:	
SIG-society liaison:	
Webmaster:	
<i>Website:</i>	http://www.systemdynamics.org/sigs/environmental/
<i>Last update:</i>	2007

The past year

SIG development

Activities

Please list all activities organized by the SIG as such in the table below; insert rows as needed.

<i>Activity</i>	<i>Date</i>	<i># Attendees</i>

Publications

Please list relevant publications in form of books, chapters, articles and conference proceedings; add rows as needed. "Type" should be coded as follows: A=article; B=book; C=chapter;P=proceeding;S=software.

<i>Publication</i>	<i>Type</i>

Relationships with other societies or institutions

Please indicate other institutions and professional or scientific societies your SIG maintains a relationship with. Add rows as needed.

Institutional development

If you have made changes to your constitution or other developments the Society should know about, please mention them here.

Members

Please list the SIG's active members in the table below. Add rows as needed.

Please see attached membership list

Your assessment of the closing year

Please elaborate concerning any particular development that may be relevant for the Society.

SIG activities for 2012 were limited, in part because of a lack of people in leadership positions for the SIG (no meeting was held at the DC conference). The SIG implemented the CarbonNeutral program during the DC conference. The SIG also gave a scholarship to David Keith (MIT) for his paper “Understanding Innovation Diffusion in the Presence of Supply Constraints and Price Feedback: The Case of the Toyota Prius” at the DC conference, and plans to award two scholarships during the St. Gallen conference.

The coming year

Challenges

What are the opportunities the SIG plans to take, or challenges you plan to approach during the coming year?

The SIG will elect new officers at the St. Gallen conference, and use the meeting/roundtable during the conference to plan activities for the upcoming year.

Planned activities

Which activities (like workshops, courses or seminars) does the SIG plan to perform during the coming year?

To be determined at the St. Gallen conference

Support required

What would you ask the Society to do to help the SIG?
