

Membership and Leadership

The committee currently has three unfilled positions: two for membership and one for the chair. To fill these vacancies the committee recommends, and requests that the Policy Council approve the following:

- 1) Len Malczynski joins the committee as a member and the chair for the same term as his role as the VP of Meetings.
- 2) Paal Davidsen joins the committee as a member for a three year term (2013-2015)

2014 Conference Program Chairs

Paal Davidsen and Etiënne Rouwette have agreed to be the program chairs of the 2014 conference. Therefore the committee recommends their approval of the same by the Policy council.

Plans for the Future

Upon filling of the vacancies above the committee plans to address the committee membership structure, conference program guidelines, thread chair terms, conference publications, and other issues.
