

Report, Society Program Oversight Committee, Andreas Größler

Main events and achievements of 2017

- New conference submission format
- New conference archiving format
- Program chairs for 2018

Main aims for 2018

- Program chairs for 2019
- Evaluation of new submission/archiving formats

Support, cooperation, resources needed & potential obstacles/issues.

- Finding (experienced) program chairs becomes more and more difficult

New for this meeting:

1 major goal for the Society (as a whole) to achieve over the next 3 years:

- Establish new conference submission/presentation formats
