

Report, Pre-College Education, Diana Fisher

Main events and achievements of 2017

- ST/SD outreach to pre-college educators in Chile, Singapore and the US
- Continued emphasis on curriculum and training, including design and 2/3 implementation of new SD app, ***Splash!***

Main aims for 2018

- SD outreach to pre-college educators in Reykjavik
- Continue ST/SD support for 37 pre-college educators in Chile
- Finish Version 1 of ***Splash!*** We have 2/3 of the funding. \$14,000 still needed. How do we get the word out?

Support, cooperation, resources needed & potential obstacles/issues.

- Funding for pre-college ST/SD outreach efforts internationally and to support experienced SD pre-college educators to attend ISDC
- System dynamicists willing to interact with and coach K-12 educators

1 major goal for the Society (as a whole) to achieve over the next 3 years:

- Consistent and visible support for the pre-college pipeline of SD in pre-college education
